

BIALETTI

DOUBLE WALL

ITALY

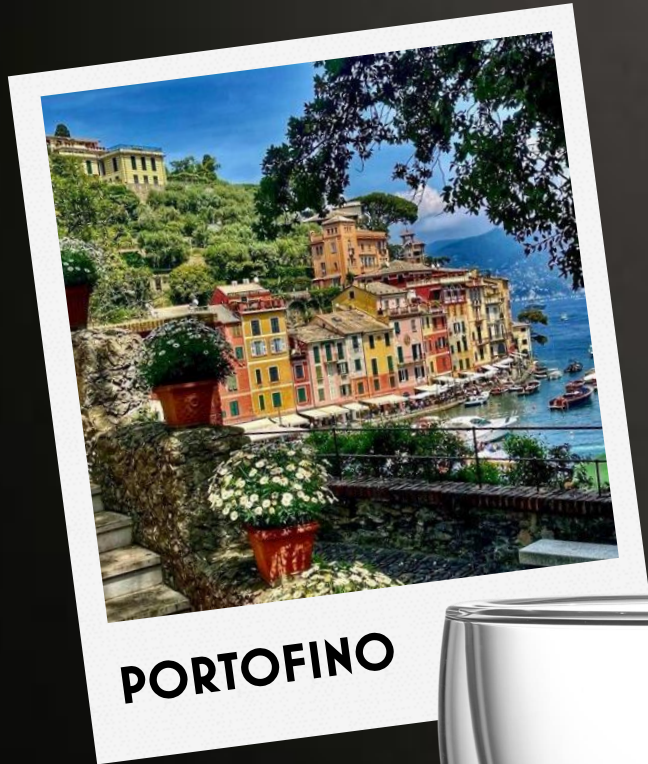

is a wonderful place,
very rich in beauty.

A perfect mix of art, landscapes,
traditions, tasty food and... **coffee!**

And this has been the **source of
inspiration for us in this line of Double
Wall Glasses**

Three Double Wall lines,
each one dedicated to an extraordinary Italian place

FEATURES

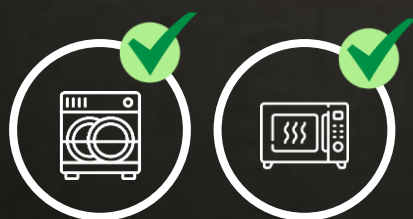

Made in **Borosilicate Glass**

a good material, known for its qualities of resistance to thermal changes!

Practical Glasses

They are easily washable in the **dishwasher** and can be used in the **microwave oven** (up to 160°C for max 3 minutes)

The **Double Wall** is a **perfect thermal insulator**:

- it prevents scalding when holding the glass
- allows to maintain the temperature of the liquid inside

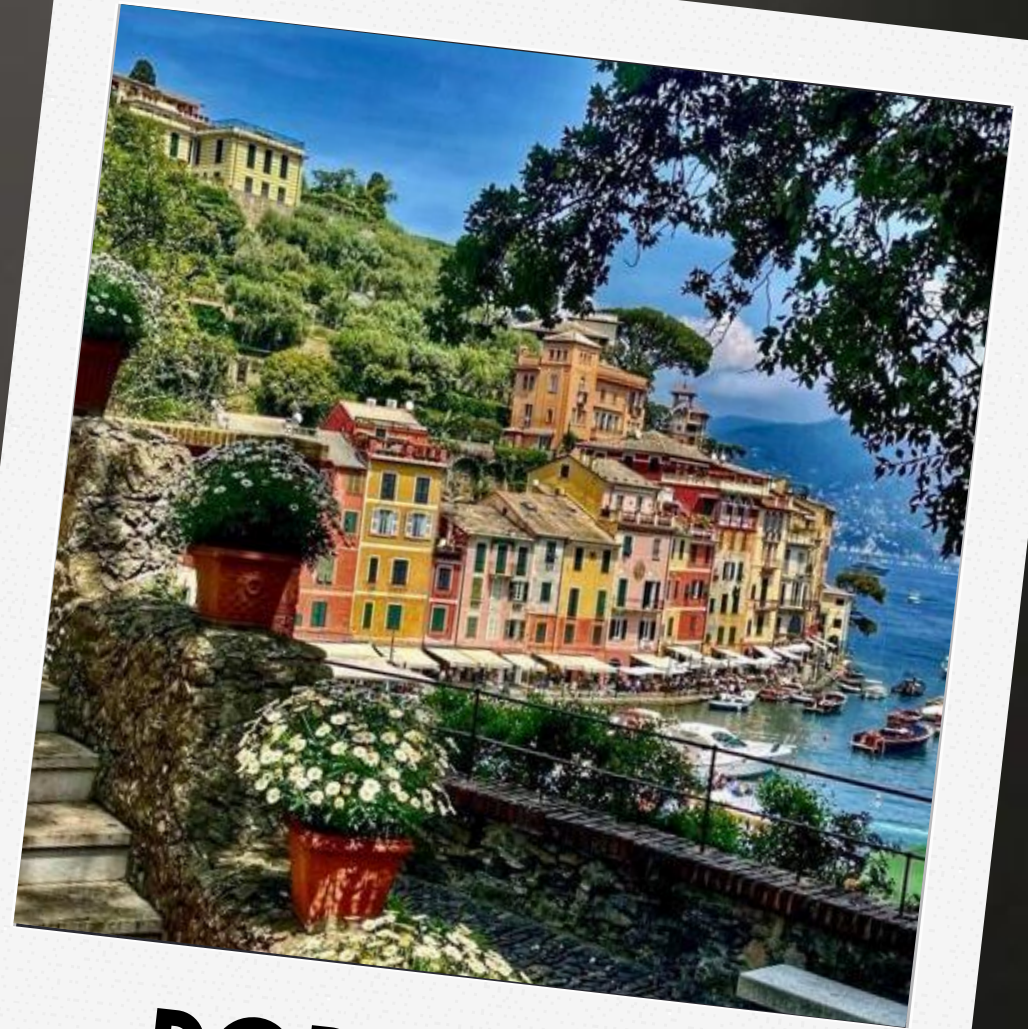

With an elegant, refined and **impactful PACKAGING**
